Kays Medical offers the most comprehensive range of first aid medical supplies and training available in the UK. With over 30 years experience delivering top quality service, we are the most reliable source for all your Medical Supplies and First Aid Training needs.

As the only occupational health specialist, we remain at the forefront of the industry supplying innovative products, unrivalled service and a variety of HSE and bespoke training courses that ensure compliance with legislation and best practice.

Kays Medical are dedicated to providing our customers with a complete end-to-end solution from professional advice, supply of products and training, through to friendly after sales care.

With over 3,000 first aid, medical and safety products plus a comprehensive range of approved training courses offered, you have the opportunity to call and order or view and choose online.

### **ResponseBeta**

Kays Medical are also pleased to be offering the NEW ResponseBeta range of infection control products, with SkinSafe and biocidal properties in both the ResponseBeta disinfectant and the ResponseBeta Alcohol Free Hand Sanitizer.

For more information give us a call on 0151 482 2830 or visit [www.kaysmedical.com](http://www.kaysmedical.com)

### **Training Courses**

With the correct training, as provided by Kays Medical, the risk of accidents at work can be reduced and the ability to respond effectively increased.

Offering a wide range of courses, and comprehensive range of training aids and support. Training is carried out by 'professionals' who have 'real' industry skills and knowledge.

Training courses are available for individuals - or groups from one organisation - at different levels, and are held either at Kays Medical head office or at clients' premises.

For more information contact us on: 0151 482 2830; email: [sales@kaysmedical.com](mailto:sales@kaysmedical.com) or visit: [www.kaysmedical.com](http://www.kaysmedical.com)

**We look forward to seeing you on the day!**
